THE MONTH OF FEBRUARY is traditionally devoted to the Holy Family. The Holy Family models for us what family life should exemplify. It is a school of virtue for both parents and children. There we find God, and learn how to connect with God and with others. The family is where love is freely given without self-interest. It is where we learn to love, to pray and to practice the gift of charity. Pope John Paul II has said, “The family, more than any other human reality, is the place in which the person is loved for himself and in which he learns to live the sincere gift of self” (Nov. 27, 2002).

THE FEAST OF THE PRESENTATION

Lord Jesus, as an infant You were brought to the temple by Your parents out of religious duty. Help all parents to take their duties to God seriously, to inculcate their faith in the next generation by their words and by their actions, so that the faith will be handed on where the faith is first learned—in the family and in the home.
