### UNDERSTANDING CATHOLIC DEVOTION TO MARY

#### Part III

*By Fr. Thomas Merton, OCSO*

That God should assume Mary into heaven is not just a glorification of a “Mother Goddess.” Quite the contrary, it is the expression of the divine love for humanity, and a very special manifestation of God’s respect for His creatures, His desire to do honor to the beings He has made in His own image, and most particularly His respect for the body which was destined to be the temple of His glory. If Mary is believed to be assumed into heaven, it is because we too are one day, by the grace of God, to dwell where she is. If human nature is glorified in her, it is because God desires it to be glorified in us too, and it is for this reason that His Son, taking flesh, came into the world.

In all the great mystery of Mary, then, one thing remains most clear: that of herself she is nothing, and that God has for our sakes delighted to manifest His glory and His love in her.

It is because she is, of all the saints, the most perfectly poor and the most perfectly hidden, the one who has absolutely nothing whatever that she attempts to possess as her own, that she can most fully communicate to the rest of us the grace of the infinitely selfless God. And we will most truly possess Him when we have emptied ourselves and become poor and hidden as she is, resembling Him by resembling her.

And all our sanctity depends on her maternal love. The ones she desires to share the joy of her own poverty and simplicity, the ones whom she wills to be hidden as she is hidden, are the ones who share her closeness to God.

*If God is not a Trinity, God is not love.*

*For love requires three things:*

*a lover, a beloved, and a relationship between them.”*
